Dear friend,

Thank you for your interest in attending the August 9 – 11 grief ritual in Bolinas, CA. The need for communal grief rituals has become self-evident and breaking the long lineage of private grieving has been deeply healing.

We have received many queries regarding the ritual weekend; far more than we will be able to accommodate. To make signing up equitable to all, we will be working with the following conditions:

1. The registration will be open from May 1st to May 15th.
2. After the registration is closed, we will review the registrations based first on postmark. We are using this method as registrations come from across the country and may take extra time to arrive by mail. *We are NOT accepting PayPal payments or emailed registration forms.*
3. Depending on the number of registrations we receive, we will either process those we have, or use a form of lottery to determine the 24 places available for the workshop.
4. You will be contacted before the end of May.

We are also making changes in the weekend structure. The retreat will now begin at 3:00 on Friday afternoon and will end on Sunday after lunch. This change reflects our desire for more time to integrate the ritual process we will have shared. Please make note of these time changes in relationship to any travel plans.

Thank you again, for your interest in this work. If the space is full, you may also check out the November 8 – 10, 2019 workshop in Salt Lake City. We look forward to seeing you at one of our gatherings.

Many blessings,

Francis, Judith and Katrina
